Akeneo + TransPerfect

TransPerfect is proud to be a Premier-level translations partner in Akeneo's Technology Partnership Program. More than sixteen shared clients are already using GlobalLink for Akeneo to automate, control, and complete the translation of global product information from within the Akeneo user interface, including Akeneo's Serenity edition. This seamless integration offers users reduced costs and time-to-market while still maintaining high quality translations.

16+ SHARED CUSTOMERS AND GROWING.

DIOR   Norauto   FOSSIL   boohoo

GAF   ARC'TERYX   BRP   PIERCE RIDERS IN E-COMMERCE   PRIMOR

The unique combination of GlobalLink's extended localization workflow capabilities and Akeneo's omnichannel product experience platform provides users with a comprehensive solution for managing global enterprise content with minimal effort and virtually no IT overhead.

Seamless Integration	On-Demand Analytics	Rapid ROI	Vendor Management	Flexible Workflows
